

MANGROVE MOUNTAIN MEMORIAL GOLF CLUB

President Report 2017

Once again it has been a challenging year for our golfing members with the course now being changed to nine holes. We are trying to make the course as interesting as possible with the addition of new tees

With the drop off of golf numbers the board has introduce FootGolf to help with the cost of running and maintaining the golf course and I hope the members accept the changes

I would like to thank our Captain Al Cox for all his help though out the year along with the golf committee and Dave Corbett who has once again been a great help in running our competitions.

Volunteers have again done a wonderful job to help improve and maintain the golf course and a special mention to Denis Allen and Al Cox for helping with running the BBQ on Saturdays; all money raised is turned back into improving the golf course.

To Paul Alexander and Keith Robson, the Board of Directors and staff, thank you for all your help throughout the year again. I thank the golfing members for their support through the year and look forward to the future with a bigger and better golf course.

Good Golfing,

John Spargo  
President
