

MANGROVE MOUNTAIN MEMORIAL GOLF CLUB

President Report 2020

2020 has been a very challenging year not only for golf but for everyone and I would like to thank our members old and new for their continue support .

The golf course has seen a big increase in players in competition and especially in social players

This year we had a changed of greenkeepers with contractor Chris Neville filling in until we hired a new greenkeeper Stephen Fury. Stephen has carried on with the good work that Chis had started in bring our greens back into top condition

I would like to thank our captain Al Cox for all his help though out the year especially in running the pennant teams along with the golf committee and to Dave Corbert who once again has been a great help in running our competitions

Once again to our Volunteers who do a wonderful job in helping improve and maintaining the golf course Mangrove would be lost without their support. To Dennis Allen and Al Cox in helping with running the BBQ on Saturdays all money raised is turned back into improving the golf course to our members who support the Saturday BBQ I thank you

To Paul Alexander and Keith Robson the board of directors and staff thank you for all your help throughout the year again I thank the golfing members for their support through the year and, looking forward to the future with a bigger and better golf course.

Good Golfing

John Spargo President
