

5<sup>th</sup> January 2021

Dear Members,

Firstly, I would like to wish you all a Happy New Year.

You would be aware of the new regulations regarding Covid 19 which have been changing with some frequency over the last few days.

With the Covid 19 Sign In requirements and wearing of facemasks at the Club, please see below:

The Clubs Pro Shop is classified as 'retail', and this means you must wear a facemask before entering this space.

All members and guests must also sign in using the Service NSW app when entering the Clubhouse or the Clubs Pro Shop.

Face Masks need to be worn if entering the indoor Gaming Room, however the outdoor gaming area or any other areas of the Club you are not required to wear a facemask. If you choose to wear a facemask in other areas of the Club, this is your choice.

All staff on duty will be wearing facemasks as this is now mandatory, unless they have been cleared for medical reasons.

Thankyou

Paul Alexander  
CEO
