

# **MANGROVE MOUNTAIN MEMORIAL CLUB LIMITED & GOLF CLUB**

## **President's Report 2022**

I would like to welcome all our new members.

Everyone knows that 2021/22 year has been a very challenging year not only with covid but also with the wet weather and the course been closed for long periods of time throughout the year.

This has been a big challenge for our greenkeeper Stephen Fury and his apprentice Daniel who have done a fantastic job in keeping our golf course open and best condition possible once again thank you to Steve and Danial .

I would like to thank our captain Al Cox for all his help throughout the year especially in running the pennant teams with our C grade successful in winning the pennant this year also to the golf committee and to Dave Corbert who has once again been a great help in running our competitions, thank you.

Once again to our volunteers who do a wonderful job in helping to improve and maintain the golf course. Mangrove would be lost without their support. A good example of their efforts was the building of a new cart shed which saved the club a lot of expense and a big thankyou again to the volunteers running the Saturday BBQ. The money raised along with the recycling of cans and bottles we have donated \$20,000 towards the purchase the new tractor and this should be completely paid for in the next 12 months.

To our members who continue to support the BBQ and the Club in general I thankyou.

To our Secretary Manager Lachlan Ford and the Board of Directors thank you for your support throughout the year.

Once again I would like to thank our members old and new for their continued support.

Good golfing  
John Spargo  
Golf President
